MOROS

The image features the word "MOROS" in a bold, white, sans-serif font against a solid orange background. A graphic element consisting of two overlapping, curved lines in red and blue weaves through the letters. The red line starts at the top of the 'M', curves under the 'O', loops under the 'R', and ends at the bottom of the 'S'. The blue line starts at the top of the 'M', curves over the 'O', loops over the 'R', and ends at the top of the 'S'. The lines are thick and have a slight 3D effect, appearing to pass behind and then in front of the letters.
